### Returns:

\* Contact Newegg.ca Customer Service at 1-800-390-1119 in order to purchase a return shipping label and obtain an RMA invoice. This is the only accepted method for Newegg.ca to process your RMA due to possible duties, fees and unforeseeable circumstances if using another courier method.

\* Please prominently display the RMA number(s) on the shipping label as well as the RMA invoice on the box(s) containing the returned product. Save original packaging and accessories including manuals, cables, documents, etc. All equipment and components must be returned in the original packaging in order for us to process your RMA.

### Shipping:

\* To locate your invoice, please visit [www.Newegg.ca](http://www.Newegg.ca) and login to your account.

\* Other items you ordered may be shipped separately by additional packages which may or may not have arrived yet. Please allow an additional business day before contacting us if you are concerned that you have not received the entire order.
