Field summary for 3

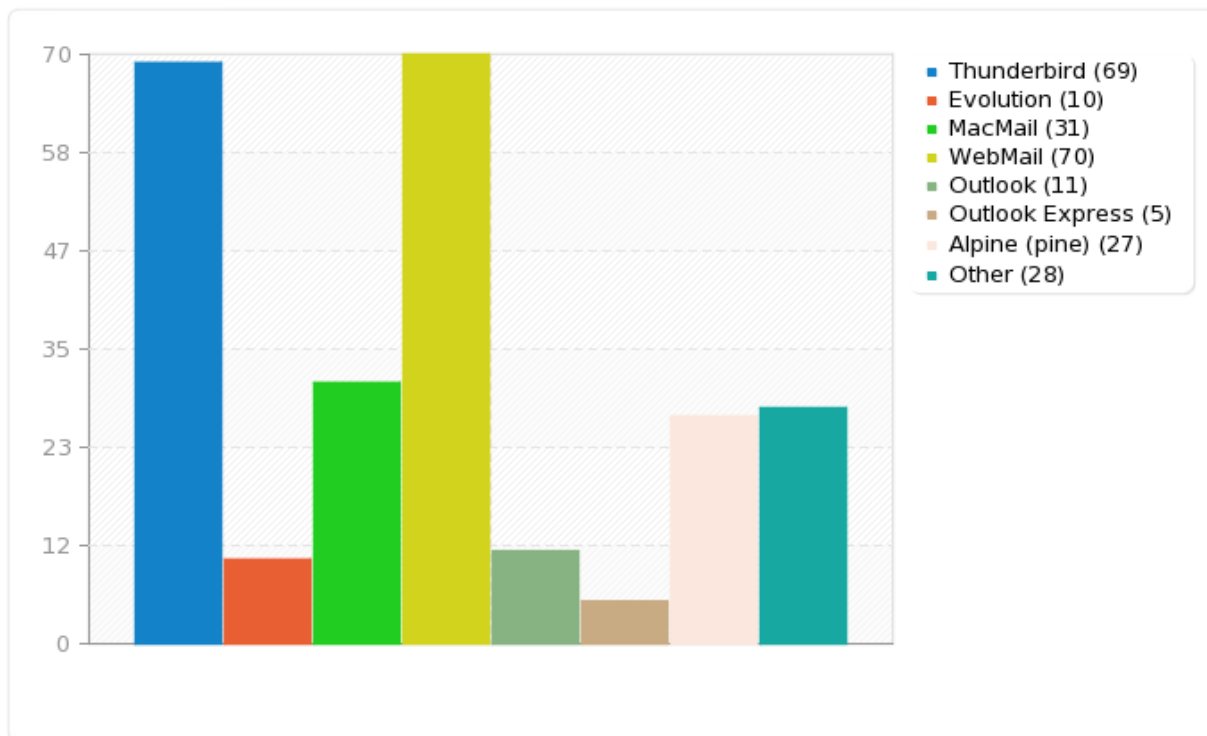

Which mail client(s) do you currently use?

Field summary for 4(obj)

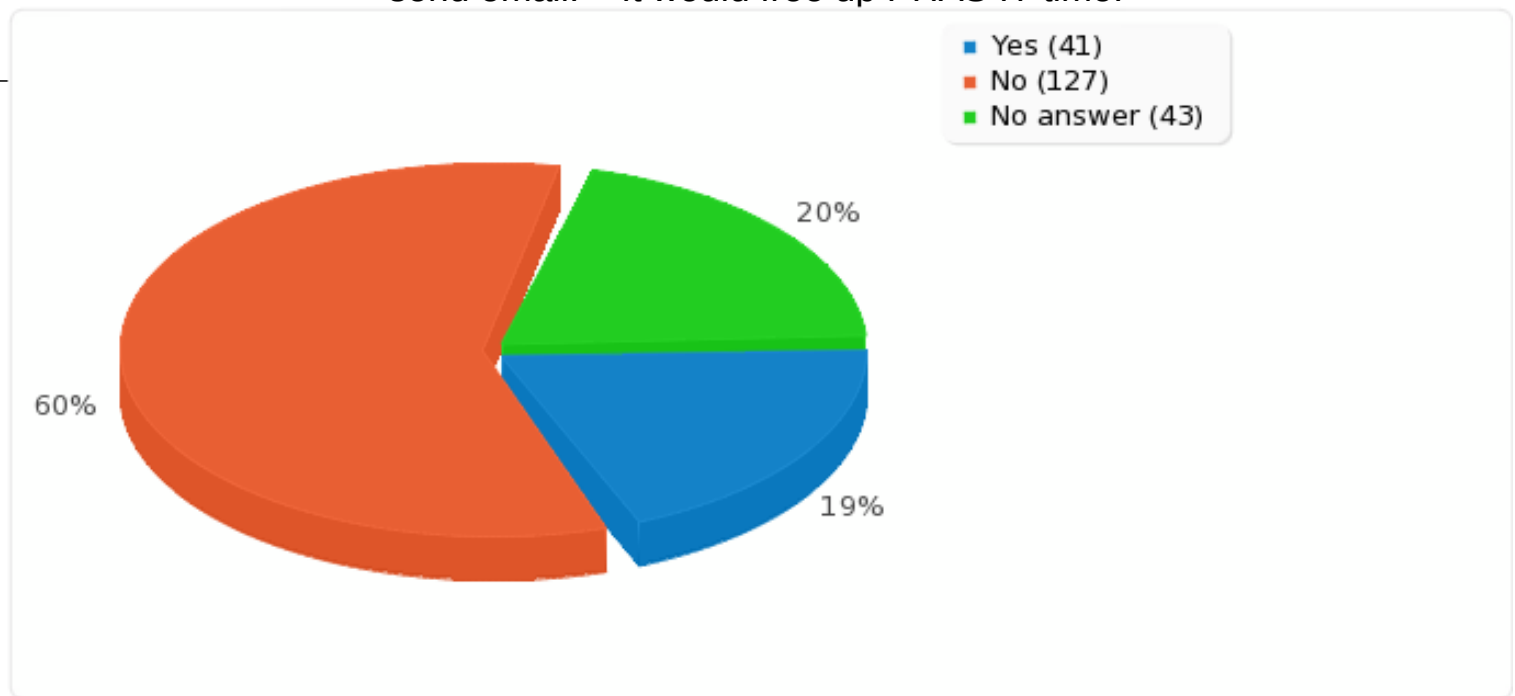

We are considering having UBC IT host our email on their expanded Exchange service. Assuming that: There would be no charge for this service. The transition path was smooth. It did not drastically alter the way you read and send email. It would free up PHAS IT time.
[Would you have any objections in moving to the UBC servers?]

Answer	Count	Percentage
Yes (Yes)	41	19.43%
No (No)	127	60.19%
No answer	43	20.38%

Field summary for 4(obj)

We are considering having UBC IT host our email on their expanded Exchange service. Assuming that: There would be no charge for this service. The transition path was smooth. It did not drastically alter the way you read and send email. It would free up PHAS IT time.

Field summary for 4(wcal)

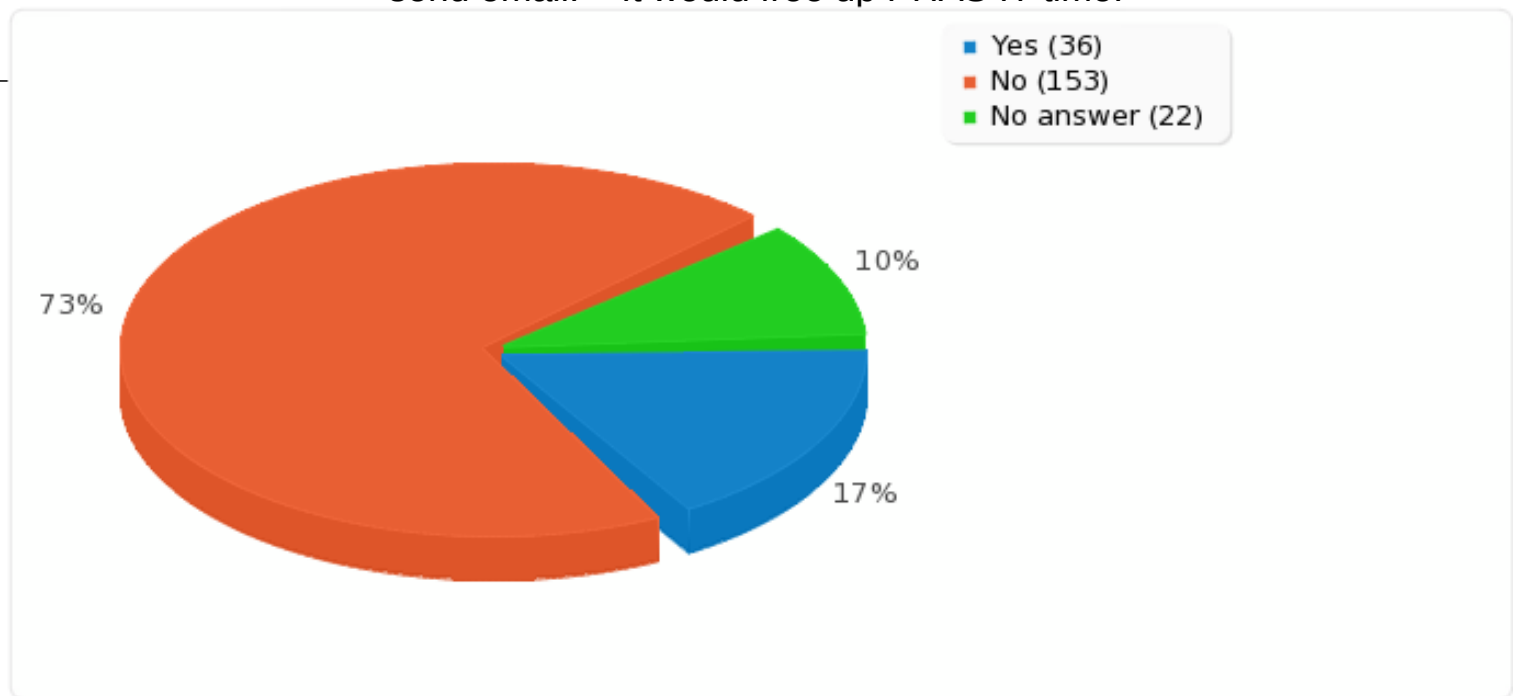

We are considering having UBC IT host our email on their expanded Exchange service. Assuming that: There would be no charge for this service. The transition path was smooth. It did not drastically alter the way you read and send email. It would free up PHAS IT time.
[Do you currently use our departmental webcalendar?]

Answer	Count	Percentage
Yes (Yes)	36	17.06%
No (No)	153	72.51%
No answer	22	10.43%

Field summary for 4(wcal)

We are considering having UBC IT host our email on their expanded Exchange service. Assuming that: There would be no charge for this service. The transition path was smooth. It did not drastically alter the way you read and send email. It would free up PHAS IT time.

Field summary for 4(excal)

We are considering having UBC IT host our email on their expanded Exchange service. Assuming that: There would be no charge for this service. The transition path was smooth. It did not drastically alter the way you read and send email. It would free up PHAS IT time.
